

Anything but Ordinary

Commercial Printers

When your printed piece engages multiple senses—SEE, FEEL and even SMELL—people will NOTICE and REMEMBER it, increasing brand recognition and sales.

Partner with us for special effects screen printing to increase your value proposition, differentiate your printing service and delight your clients.

EXPERTISE We print on any paper or plastic with deep experience applying special effects to Packaging, Retail Displays, Gift Cards, Credit Cards, Greeting Cards, Book Covers.

SPECIAL EFFECTS Using the highest quality inks and UV coatings, we print a wide variety of special effects, including Glitter, Gloss & Matte, Scents, Scratch-Off, Soft Touch, and much more.

R&D Our Research & Development team focuses full-time creating screen printing finishes never done before. Challenge us and let's make your piece unforgettable!

PARTNERSHIP A few ways to work together:

- **Sample Packs:** we'll send you samples to share with your clients
- **Proof of Concept:** a proof of concept shows what's possible
- **Sales Enablement:** let's team up on webinars, lunch & learns and sales calls
